Philosophy / Purpose

Our desire is in ministry to the child and their parents, so our educational program deals with each child's spiritual, intellectual, cultural, physical, & artistic needs. We attempt to equip them with a Biblical view of life. Our goal is to help them grow "in wisdom, in stature, and in favor with God and man" (Luke 2:52) with Jesus Christ as their example. We believe that all children are created in the image of God; we do not discriminate based on gender, race, or color.

Preschool Office

If you need to meet with the director, or set up a time to meet with your child's teacher, contact the director to schedule a meeting.

Communication

We encourage open communication between the school and parents. Be assured that if there is a problem, we will contact you immediately. Let us know if you have any concerns so we can make an appointment with the director.

Visitors

Parents are welcome to visit our school anytime. We require that all visitor's check-in at the office first

Daily Program

A carefully supervised and balanced program is offered to assist the children in their learning process. We include various hands-on activities that will help them become curious learners and creative problem solvers. The preschool classroom is divided into learning centers that invite your child to explore and imagine while developing school readiness skills. Our preschool's function, in cooperation with the home and church, is providing a Christ-centered education. We desire to promote a strong relationship between family, church, and school.

Arrivals & Departures

All children must be checked IN and OUT at the kiosk every day. Children will only be released to authorized adults listed on the student's emergency information sheet. We will not release any child to anyone whose behavior may place the child in immediate risk. If you need someone that is not on your emergency list to pick up, you will need to send an email to the director with the person's information that you are authorizing to pick up. Those that are not registered in the kiosk will need to show a valid picture I.D. and sign out. If you are unable to pick up your child by closing, please notify the director.

Reimbursement Policy

If it becomes necessary for you to withdraw your child during the week or if your child is absent for any portion of the week, there will be no financial reimbursement.

Payment Schedule

Full payments are due for weekly tuition. Tuition payments are due by Wednesday by 9:00 am for the current week. Payments can be made by Tuition Express, checks and cash. If payment is not received by Wednesday by 9:00 am and Tuition Express was not processed a late fee will be applied.

Late Pick-up Charges

Late pick-up charges will be assessed on all children picked up late. Part-time pick up after 12:30pm. Full time pick up after 5:30 pm. You will be invoiced \$1 per for every minute late.

Withdrawal Procedure

Two weeks advance written notice for withdrawal must be dated and placed in the tuition box or emailed to the director.

Health Requirement

We need Immunization records or a letter stating that vaccines conflict with religious beliefs. All children are required to have a complete set of enrollment forms on file before their first day. A daily health check will be given to your child as they arrive. Their teacher/director will evaluate if they are well enough to stay and participate. Please refer to "when a child becomes too sick to attend" the information we have given you. If your child becomes too sick to stay at school, we will call you. In this case, you must make arrangements to pick up your child as soon as possible.

Health & Medications:

Medications will be administered only if:

1. A prescription that is prescribed for the child by a physician in the original container.
2. Non-prescription medications in the original container.
3. Medication form must be filled out by parent or guardian.

Accidents

All accidents occurring at the school are reported to the director, and an accident report is written. Parents will be informed of minor accidents. In the case of a minor medical situation, the following steps will be taken:

1. Attempt to contact the parent or guardian.
2. Attempt to contact the persons listed on the emergency information sheet.

In a serious medical emergency, we will do the following:

1. Call 911
2. Attempt to contact the parent or guardian.
3. Attempt to contact the persons listed on the emergency information sheet.

Diapering / Toilet Training

Parents provide diapers and wipes with items labeled with child's name. A charge of \$2 per day will be charged based on the number of days enrolled. This charge will be added to your weekly tuition invoice. If recurring accidents occur after the child is potty trained, a \$2 a day fee will be added.

Personal Belongings / Toys

We ask that your child leave all toys at home. We are not responsible for lost or broken toys brought to school. The exception to this is an appropriate "security" item for nap time.

Clothing Requirements

All children are required to have a spare change of clothes at school. Potty trainers need a couple extra sets of clothes. All extra clothing should be labeled with your child's name.

Nap Time

We provide preschoolers a rest time each afternoon to rejuvenate their active minds and bodies. All preschoolers are encouraged to have a labeled small blanket for nap time. Blankets must be taken home on Friday (or the last day your child attends each week), laundered, and returned by your child's first day of school for the week.

Food

The children should bring a healthy lunch daily. We provide a healthy and well-balanced mid-morning and mid-afternoon snack daily.

Emergency Plan

We regular practice emergency drills. In the event there is an emergency we will notify parents via email, ProCare parent engagement app, or a text message giving them all information needed.

Holding a Child's Place

If you choose to remove your child from our program, their place will be given to a child from our waiting list, and if you decide to re-enroll them later, you will have to pay registration again. If we need to remove your child, the director may approve for your child to return. If there are any openings within the school year, the registration fee will not be charged.

Discipline Policy

Good behavior is essential for a successful program. Discipline will be consistent with the age and needs of the child. The use of physical punishment is never permitted. Discipline will NOT be associated with food, rest or toileting. We believe it is important to give positive guidance, setting clear limits and redirection. We may use a quiet time with a teacher/aide lasting no more than one minute for each year of the child's age. When finished, the teacher will pray with the child. If an improper behavior continues, the child will be referred to the director, and the parents will be called to the school to handle the situation further. If a child continues to have improper behavior, he/she may be kept home for a short period (a day or so). If the behavior continues, your child could be removed from the school. Like-mindedness is essential in this area between parents and the school.

Too Sick to Go to Preschool?

*Do you wonder if your child is too sick to come to preschool?
Here are some things to keep in mind.*

Fever

A fever is: 100.4 F or higher with an ear thermometer. 100. F or higher with an oral thermometer. 99 F or higher with an armpit thermometer. If your child has a fever at or over the above temperature above, they will need to be picked up from school. They must wait at least **24** hours after the fever has come down and stabilized without medication to send your child back to school.

Colds

On average, a child catches 6–8 colds per year. There is no need to keep them home with sniffles or congestion—as long as their temperature is LOWER than the above degrees and there are no other signs of illness.

Vomiting or diarrhea

Keep your child home. Call the doctor if these problems persist or your child seems dehydrated. They can return to preschool when they can drink liquids without problems—at least **24** hours after the last time they vomit and at least **12** hours after the last time they had diarrhea.

Stomachache, headache, earache, toothache

Observe your child; if they are in severe pain, call their doctor immediately. If they don't look or act sick, try gentle encouragement (like reminding them of something fun they will be doing that day). Call their doctor if they complain of pain frequently, their pain persists, or you're unsure they are ill.

Conjunctivitis (“pinkeye”) or Strep Throat

Your child needs to stay home until they have been on an antibiotic for **24** hours and has no fever. Red “bloodshot” eyes and yellow or greenish discharge from the eyes are signs that they should see a doctor. If they have a sore throat or a sore throat and a fever, they should be tested for strep at the doctor's office.

Rash

You don't need to keep your child home for a minor diaper or heat rash. If they have an unusual rash with fever or acts unwell, see a doctor before sending them to preschool. A child with impetigo (a skin infection characterized by blisters that itch) they should stay home for **24** hours after first dose of antibiotics. Cover any remaining blisters or scaling with a bandage or dressing when they return to preschool.

Head lice

Keep your child home until the morning after her first treatment. Note: Some treatments work better than others do, also check your child's head thoroughly before sending them back to preschool.

Chicken pox

Keep your child home at least 6 days after the rash first appears
